## Complete the pictograph

The data table below shows the number of cupcakes my grandmother baked in 4 days. Use the data, complete the pictograph and answer the questions.

| Monday | Tuesday | Wednesday | Thursday |
| :---: | :---: | :---: | :---: |
| 20 cupcakes | 16 cupcakes | 24 cupcakes | 12 cupcakes |

| Monday | $\frac{8}{\pi}$ |
| :---: | :---: |
| Tuesday |  |
| Wednesday |  |
| Thursday |  |

Each

stands for 4 cupcakes

On which day did my grandmother bake the most cupcakes?

How many more cupcakes were baked on Tuesday than Thursday?

How many cupcakes were baked on Monday and Tuesday?

How many cupcakes did she bake altogether ?

## Complete the pictograph

The data table below shows the number of cupcakes my grandmother baked in 4 days. Use the data, complete the pictograph and answer the questions.

| Monday | Tuesday | Wednesday | Thursday |
| :---: | :---: | :---: | :---: |
| 20 cupcakes | 16 cupcakes | 24 cupcakes | 12 cupcakes |

| Monday | E) | (0) | E) | E) | E) |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Tuesday | $\sum_{0}^{8}$ |  | $\sum_{0}^{\infty}$ | $\sum^{-}$ |  |  |
| Wednesday | E) | © | $\sum_{0}^{0}$ | B | E) | E) |
| Thursday | © | © | $E$ |  |  |  |

Each

stands for 4 cupcakes

On which day did my grandmother bake the most cupcakes ?
On Wednesday

How many more cupcakes were baked on Tuesday than Thursday? 4 cupcakes

How many cupcakes were baked on Monday and Tuesday ? 36 cupcakes

How many cupcakes did she bake altogether ?
72 cupcakes
