

Circle patterns!

Study the first row in each circle and use that pattern to fill in the blanks.

Number squares!

Fill in the missing numbers in each square. Add or multiply the numbers on the left with the numbers on top. The first square serves as an example.

+	4	7
3	→ 7	↓ 10
5	→ 9	↓ 12

×	6	7
13		
15		

+		71
	36	
9	34	

×	5	4
15		
	70	

×	16	
		52
	80	65

×	25	19
4		
	75	

Circle patterns!

Study the first row in each circle and use that pattern to fill in the blanks.

17	68	4
13	104	8
15	135	9

multiply both numbers

43	50	57
61	68	75
64	71	78

skip count by 7

Number squares!

Fill in the missing numbers in each square. Add or multiply the numbers on the left with the numbers on top. The first square serves as an example.

+	4	7
3	7	10
5	9	12

×	6	7
13	78	91
15	90	105

+	25	71
11	36	82
9	34	80

×	5	4
15	75	60
14	70	56

×	16	13
4	64	52
5	80	65

×	25	19
4	100	76
3	75	57
