Answer to brain teasers

puzzle 1 : B

The shaded part and symbols in each shape move 2 places clockwise.

The sum of the letter and number increase by 1 in both rows.

puzzle 2 : 8

Bottom row minus the middle row equal the top row.

puzzle 3 : 2

Top row is the sum of the 2nd and 3rd row, bottom row the difference.

puzzle 4 : 15

In each row, the 3rd circle shows the difference between the numbers in the 1st and 2nd circle.
